

**Declaration of Conformity to REACH Regulation (EC 1907/2006),
SVHC Candidate List of 17.01.2022
Declaration of Conformity to RoHS Directive (2011/65/EU, Annex IV
2014/16/EU and Annex II 2015/863/EU)**

As a manufacturer of machines and special tools, we are a downstream user (producer of articles) according to the RoHS Directive. According to information from our suppliers, the materials we use do not contain any substances according to the RoHS Directive 2011/65/EU, Annex IV 2014/16/EU and Annex II 2015/863/EU or the maximum permissible limits are complied with. It is agreed with our suppliers that only REACH and RoHS compliant products will be delivered to us. If the conformity is not met, our suppliers are obliged to inform us immediately.

As soon as we determine that our products are subject to notification, we will inform our customers without being asked to do so.

We confirm that our standard products are compliant with the RoHS Directive and are produced in accordance with its applicable requirements.

For certain products and their applications we are registered since 11/2005 at the EAR (Stiftung Elektro-Altgeräte Register) with the WEEE-reg. no. DE 33071255 according to the WEE directive in order to guarantee the proper disposal of the products we put on the market.

Please understand that we are unable to fill out special questionnaires due to the sharp increase in the number of inquiries. However, we hope that this letter contains the information you requested and thank you for your confidence.
